INTRODUCTION

This report outlines the social media performance for Hotel Muthappa during May 2026. The objective of this report is to analyze organic and paid social media activities, evaluate audience engagement, and provide actionable recommendations for improving reach, engagement, and lead generation in the upcoming month.

EXECUTIVE SUMMARY

Muthappa Briyani's social media performance showed exceptional growth during the reporting period. Total video views reached 1.2 million, representing a remarkable 2,500% increase compared to the previous period. Similarly, the account achieved a total reach of 961.8K, also recording an impressive 2,500% growth.

SOCIAL MEDIA INSIGHTS

Instagram
